

Inter-Provincials Open Teams 2018

The Selection Committee have asked me to invite entries for the Open teams at this year's event, to be held on November 17th-18th.

The captains of recent Premier 1 teams are being approached in the first instance.

If you would consider forming one of the 3 teams, please let me know – team members need not necessarily be your league team.

Interested partnerships may also express an interest.
